110 / 220 V
50 Hz

In Vietnam, power plugs and sockets (outlets) of type A, type C and type D are used. The standard voltage is 110 / 220 V at a frequency of 50 Hz.

Yes, you need a power plug travel adapter for sockets type A, C and D in Vietnam.

You should consider a voltage converter.

Be extra careful with certain devices because of the difference in frequency.
